What is Linked Influence All About?

The main goal of Lewis Howes\'s Linked Influence program is to learn how to harness LinkedIn to attract high quality clients, drive targeted traffic to a website and how to land the career opportunity of their dreams.

Many people don\'t even realize the full potential of LinkedIn. The fact is that LinkedIn has more than doubled in size in the last 12 months. They now have over 160 million members.

Here\'s just a few impressive facts about LinkedIn: 45% of LinkedIn\'s members are considered the major decision makers for their companies, LinkedIn holds the record for the highest average household income over all other social networking sites at over $109,000 per member and on LinkedIn people will find business minded people that are focused on networking.

After a quick Linked Influence review, MayDayReport.com believes this program is a great tool for anyone that wants to use LinkedIn for their business, traffic or to find their dream job.

Lewis Howe is a master of using LinkedIn and he has proven that it is an incredible resource for people that know how to use it.

Just one of Lewis\'s students used his Linked Influence program to get 37 job offers in 2 weeks. In this job market that is absolutely incredible.

What\'s covered in Linked Influence?

There are 4 different modules inside the program.

Module 1 is all about laying the foundation which includes things like how to optimize a LinkedIn profile for maximum exposure.

Module 2 covers all aspects of using LinkedIn to grow an audience including things like how to use LinkedIn to build an email list.

Module 3 talks about using LinkedIn to take it to the next level. This means things like how to connect with investors, high level decision makers, desired business partners as well as things like how to land the career opportunity of someone\'s dreams.

Lastly module 4 is teaches people how to build a company using LinkedIn. This module covers things like how to build a company page, how to leverage LinkedIn\'s \'question and answer\' feature and how to drive targeted traffic to a company\'s website or blog.
